

MINUTES OF THE WASATCH COUNTY HEALTH BOARD

May 9, 1975

12:10 P.M.

Flying VeeCafe

- Present were: Acting Chairman, Commissioner Harold H. Smith; Health Director, Dr. R. Raymond Green; Public Health Nurse, Maren Durtschi; Sanitarian, Steve Jenkins; Building Inspector, Clyde Broadbent; Secretary, Nelda Duke; Members, NaDene Probst, Gilbert Olsen and Dr. John Prince.
- Minutes: Chairman Smith asked for a motion to approve or correct minutes. Dr. Green made a motion minutes be approved as previously mailed to members. Dr. Prince seconded motion. Motion carried.
- Sanitation: Mr. Jenkins stated the Food ServiceCode will soon be ready for approval and acceptance. He suggested we especially invite food managers to hearing so it can be explained to them. This will give food managers an opportunity to have some input into the program. All other interested persons will be invited. The notice of hearing will be published in the local paper and is scheduled for May 21, 1975.
- Food Handlers Class: Mr. Jenkins stated he will hold a Food Handlers Class for school lunch personnel after September 1st. He is also planning on holding a Food Handlers Class for year-round and summer employees in mid-June.
- Bridal Veil Falls: It was mentioned that toilet facilities at Bridal Veil Falls were very unsanitary. Mr. Jenkins will check with Utah County in this matter.
- Home Health: Chairman Smith stated after working with the medical staff at the hospital, doctors do not want home health services. Therefore, we will not renew our contract this year but the option is open if we choose to use these services next year.
- Provo Canyon Sewage System: Chairman Smith mentioned the County Commission had received a letter indicating the Provo Canyon Sewer Plans are being redeveloped. This includes all property below the dam and Wallsburg. Funding will be brought about by Utah County, Wasatch County and Wallsburg.
- Heber Valley Aquifer: A letter was submitted from the State Health Department regarding the possibility of probable contamination of the Heber Valley Aquifer. (See attached copy). The board discussed problem indicated by letter. Dr. Green made a motion letter be printed in local paper along with a statement indicating the Board of Health would appreciate any comments as to its ultimate solution. Mr. Olsen seconded motion. Motion carried. Dr. Green will take care of this matter.
- Sewer System Priority: A letter was submitted showing priority of government funds for sewer systems. Mr. Broadbent will represent us at a meeting June 4, 1975, to help hold our position on the list.
